M.I.D. CONTRACT COLLECTION

Heavy use Moquette, Bouclé and Frisé suitable for offices, public areas and even more chairs with castors, a true novelty in the carpet area! The Heavy use Moquette is the first Moquette suitable for chairs with castors.

Presented in 10 colours to inspire you - from Sandshell till Red Rose - and next to the 3 main qualities divided in about 8 designs, this collection offers you a true inspiration. Different designs and qualities can be chosen or even be designed, depending on the contract. Feel free to contact M.I.D. regarding all possibilities on designs, jacquard weaving and exiting quality/structure combinations.

M.I.D. can produce any colour. Exactly according to your customers wishes. Take a look at the Custom Colour Service M.I.D. (Work with M.I.D. section) for possibilities. Printed colours are as realistic as possible, colour differences between actual product/sample may occur.
